Reports: New printing options

Transactions and send transactions:
It is now possible to add totals in your reports.

You have the possibility to add totals for your prints „Overview of selected files“:
- per bank
- per account
- per currency
**Account Info:** It is now possible to select supplementary options in your reports.

You have the possibility to select supplementary options for your printings proposed in „Show details“.

You may select:

- Either „Show only statement number and balance“
- Or one or more of the following criteria
  - Show statement message
  - Start new page for each bank account or for each statement
  - Sort transactions per amount
