Improved screen with an overview of
transactions to be signed

January 2022

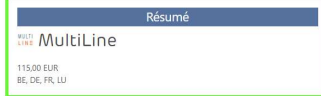

The overview screen with the transactions you want to sign in MultiLine has undergone some changes and improvements.

Signer avec LuxTrust

1. Veuillez vérifier les données à signer.
2. Veuillez mémoriser les données à signer.
3. Signez avec LuxTrust.

Veuillez cliquer sur le bouton "Signer" et suivre les instructions affichées sur votre PDA/Boaier.

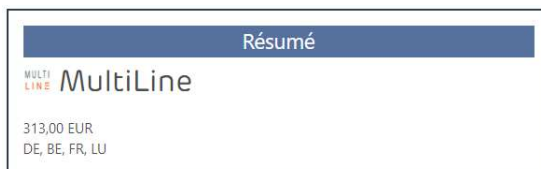

The new screen shows a summary of:

- The total amount (estimated and converted into euros, if composed of several currencies)
- The bank account of destination (1 counterparty),

or

The countries list (if there are several counterparties) ranked by decreasing risk,

or

The number of free files to sign,

or

A mixed with all this information.
